Several other varieties growing, but not yet proven, or not in quantity sufficient to list.

Scions stored in packages of 50. Five cents per bud if ordered in smaller quantities. No order accepted for less than one dollar.

TERMS CASH WITH ORDER, unless parties reliability is known to us.

No C. O. D.'s unless acceptance is properly secured.

CARE OF BUD WOOD

Graft wood should be kept cool and absolutely dormant until used.

Storage wood to be used for patch budding may be soaked over night in tepid water, then wrapped in damp material and kept in warm place until the bark will slip.
